

Patriot Techcorp' CTO - Dr. Franklin Lee - Joins Elite Speaker Panel at UAE Gulf Technology Forum

Madinat Arena, Dubai, UAE

March 6, 2007

Dr. Franklin Lee - CTO of Patriot Techcorp joins elite speaker panel that includes technology experts from the UK, Germany, the USA, Jordan, Canada, India and Scandinavia to lecture on global technology and security issues.

With the emerging technology markets throughout the Middle East, the UAE spends a significant investment of time and finances to develop its network and technology infrastructure to stay steps ahead of the change.

With this expansive growth the need to ensure maximal security applications are being implemented and continuously updated which causes demand for the introduction of constant ongoing education and training.

Conference attendees are being provided with a glimpse of the shape of education of the future designed to enlighten visiting educational professionals with an insight into all the possibilities of new teaching methodologies and technologies designed to prepare future generations of students with the wide array of evolving sciences.

About Patriot Techcorp

Patriot Techcorp, Inc. is a software research and development and network security management services firm that specializes in combining advanced technology with vision and innovation to produce quality products and cost-effective solutions.
